

HOME ENERGY ASSESSMENT

2017 INCENTIVE PROGRAM FOR RESIDENTS

A supplemental program to the Focus on Energy Home Performance with ENERGY STAR Program

Through your public power utility, these programs are proudly supported by POWERful Choices! a community-wide effort to instill a strong conservation ethic while demonstrating the effectiveness of energy efficiency, conservation and renewable resource development.

A drafty home, rooms that are too hot or too cold, and high energy bills are all common issues for homeowners. The Home Performance with ENERGY STAR, program offers a comprehensive, whole house approach to improving energy efficiency and comfort.

Eligibility:

This incentive is available to all River Falls Municipal Utilities residential customers.

- Homes must receive natural gas from a Focus on Energy participating gas utility or be heated with more than 50% electric heat from River Falls Municipal Utilities. Homes heated with oil or LP are not eligible.
- Projects must qualify for Focus on Energy's Home Performance with ENERGY STAR incentives in order to

receive incentives offered by River Falls Municipal Utilities. Visit www.focusonenergy.com for application process.

How to Apply:

- Contact RFMU at 715-426-3467 to schedule an assessment with a Home Performance with ENERGY STAR consultant.
- Complete assessment (pay consultant \$50 fee) and work with consultant to make recommended improvements.
- Consultant will complete and submit all necessary Focus on Energy and RFMU applications to receive incentives.

Allow 4-6 weeks for processing and delivery of incentive check.

CERTIFICATION AND AGREEMENT

River Falls Municipal Utilities (RFMU) makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed – including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall RFMU be liable for any incidental or consequential damages. RFMU does not guarantee that the purchase and installation of your programmable thermostat will result in energy cost savings. This program has a limited budget, and applications will be accepted on a first-come, first-served basis, until allocated funds are spent. This program may be modified or discontinued at any time without notice. I understand that this offer provides supplemental incentives toward efficiency improvements. This incentive is available only to customers of RFMU. I certify that all statements made in this application are correct to the best of my knowledge. I agree to the terms and conditions of this offer as set forth on this application. I agree that RFMU reserves the right to

verify sales receipts and installation before issuing incentives. All energy improvement projects must be completed and receipts and applications must be received within 90 days of improvement completion and no later than December 31, 2017.
