

# I CHOOSE to “Spring Into Action”...

---

Spring Into Action ~ Celebrating Earth Week  
River Falls High School  
Tuesday, April 29, 2008  
4 p.m. to 7 p.m.

4:00 - 4:15 p.m. **Welcome & Opening Remarks**  
*Elaine Baumann, River Falls High School and POWERful Choices!*

4:15 - 4:45 p.m. **Photovoltaic Panels ~ Why River Falls High School?**  
*Elaine Baumann, River Falls High School*  
*Weston Arndt, Wisconsin Public Power Inc. (WPPI)*  
*Craig Tarr, Energy Concepts*  
*Matt Steiner, Steiner Plumbing*  
River Falls School District recently partnered with River Falls Municipal Utilities and WPPI to install a solar photovoltaic system.

4:45 - 5:15 p.m. **Break ~ Panel Dedication and View Exhibits**

- *Neighborhood and plug-in hybrid electric vehicles*
- *Tree location benefits*
- *Student projects*
- *Renewable resources*
- *Energy efficient products*
- *Much, much more!*

5:15 - 6:00 p.m. **How windy is River Falls ~ Wind Test Tower**  
*Alex DePillis of EcoEnergy Wind*  
Hear how the wind test tower recently constructed within River Falls will gather data to determine if there is adequate wind for a utility-sized wind turbine generator.

6:00 - 6:45 p.m. **Energy Efficient Homes ~ Improvements and New Construction**  
*Dave Hepfler and Aaron Riendeau of Wisconsin Focus on Energy*  
River Falls residents are now eligible to participate in programs and services such as ENERGY STAR® Homes and Home Performance.

6:45 - 7:00 p.m. **Closing Remarks**  
*Don Richards of City of River Falls and POWERful Choices!*

*Together we can make a difference!*

---

River Falls Municipal Utilities proudly supports the POWERful Choices! initiative!
