

CENTRAL AIR TUNE-UP

2023 REBATE PROGRAM
UP TO \$50 AVAILABLE

An inspection and tune-up of your central air conditioner unit can improve its efficiency and increase its life span. Without regular cleaning and maintenance, an air conditioner can lose up to 5% of its original efficiency for each year of operation.

\$50 in Chamber Checks is offered to encourage regular professional service inspection and tune-up of central air conditioners.

Program Eligibility

- This rebate is available to residential customers with a valid River Falls Municipal Utilities electric account.
- Only central air conditioning units of 5 tons or less are eligible.
- In no case will River Falls Municipal Utilities pay more than 100% of the actual purchase price of the central air conditioner inspection and tune-up.
- To receive a \$50 Chamber Check, a tune-up of the central air conditioner must be performed by a professional service technician and include the following 12-point inspection:
 - Check and clean condensing unit coils
 - Check wiring and connections
 - Check coolant level
 - Check system operating pressures and temperatures against manufacturers specification
 - Check condensate pump and drain line
 - Check thermostat
 - Inspect air filter and replace if necessary
 - Check compressor contacts
 - Check belts and drives
 - Clean and adjust controls
 - Lubricate moving parts and clean indoor fan
 - Check voltage

How to Apply:

1. To qualify for a rebate, the applicant must meet all of the eligibility conditions and submit a completed application (see reverse side).
2. Attach a copy of the sales receipt or paid invoice from a professional heating and cooling inspection and tune-up service indicating the date of service, dealer name and address, itemized list of service checkpoints, and any repair recommendations.
3. Submit your application to:
River Falls Municipal Utilities
222 Lewis Street, River Falls, WI 54022

- or email to Mike Noreen at mnoreen@rfcity.org -

**POWERFUL
CHOICES** 

Through your public power utility, these programs are proudly supported by POWERful Choices! POWERful Choices! is a community-wide effort to instill a strong conservation ethic while demonstrating the effectiveness of energy efficiency, conservation and renewable resource development.

At River Falls Municipal Utilities, we join forces with other local not-for-profit utilities through WPPI Energy to share resources and lower costs.

CERTIFICATION AND AGREEMENT

River Falls Municipal Utilities (RFMU) makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed – including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall RFMU be liable for any incidental or consequential damages. RFMU does not guarantee that the central air conditioner inspection and tune-up or the implementation of any energy efficiency described in this application will result in energy cost savings. This program has a limited budget, and applications will be accepted on a first-come first-served basis, until allocated funds are spent. This program may be modified or discontinued at any time without notice.

I understand that this offer provides an \$50 Chamber Check for the inspection and tune-up of central air conditioners no larger than 5 tons at residences currently receiving electricity on a retail basis from RFMU. Qualifying inspections and tune-ups must include all items listed in the 12-point checklist above and must be performed by a professional heating and cooling service technician. This rebate is available only to customers of RFMU.

I certify that all statements made in this application are correct to the best of my knowledge. I agree to the terms and conditions of this offer as set forth on this application. I agree that RFMU reserves the right to verify sales receipts before issuing incentives. Tune-ups must be completed by September 30, 2023, and applications received by October 15, 2023.
